523 the beginning of the fiscal year for which such appropriation was
524 made, a requisition for the allotment of the amount estimated to be

558 caused by natural disaster.

578 concerning (1) aid to municipalities; or (2) any budgeted agency of the
579 legislative or judicial branch, except that the Governor may
580 recommend an aggregate allotment reduction of a specified amount

1412 shall be eligible for a credit against the tax imposed under chapter 207
1413 or this chapter equal to thirty per cent of such production expenses or
1414 costs, provided (A) on and after January 1, 2009, fifty per cent of such
1415 expenses or costs shall be counted toward such credit when incurred
1416 outside the state and used within the state, and one hundred per cent
1417 of such expenses or costs shall be counted toward such credit when
1418 incurred within the state and used within the state, and (B) on and
1419 after January 1, [2012] 2010, no expenses or costs incurred outside the

1420 state and used within the state shall be eligible for a credit, and one
1421 hundred per cent of such expenses or costs shall be counted toward
1422 such credit when incurred within the state and used within the state.

1423 (2) On and after July 1, 2006, and for income years commencing on
1424 or after January 1, 2006, any credit allowed pursuant to this subsection
1425 may be sold, assigned or otherwise transferred, in whole or in part, to
1426 one or more taxpayers, provided no credit, after issuance, may be sold,
1427 assigned or otherwise transferred, in whole or in part, more than three
1428 times.

1429 (3) On and after July 1, 2006, and for income years commencing on
1430 or after January 1, 2006, any such credit allowed under this subsection
1431 shall be claimed against the tax imposed under chapter 207 or this
1432 chapter for the income year in which the production expenses or costs
1433 were incurred, and may be carried forward for the three immediately
1434 succeeding income years. Any production tax credit allowed under
1435 this subsection shall be nonrefundable.

1436 (c) (1) An eligible production company shall apply to the
1437 ~~[commission]~~ department for a tax credit voucher on an annual basis,
1438 but not later than ninety days after the first production expenses or
1439 costs are incurred in the production of a qualified production, and
1440 shall provide with such application such information as the
1441 ~~[commission]~~ department may require to determine such company's
1442 eligibility to claim a credit under this section. No production expenses
1443 or costs may be listed more than once for purposes of the tax credit
1444 voucher pursuant to this section, or pursuant to section 12-217kk, as
1445 amended by this act, or 12-217ll, as amended by this act, and if a
1446 production expense or cost has been included in a claim for a credit,
1447 such production expense or cost may not be included in any
1448 subsequent claim for a credit.

1452 provide with such application such information and independent
1453 certification as the commission may require pertaining to the amount
1454 of such company's production expenses or costs to date. If the
1455 commission determines that such company is eligible to be issued a
1456 production tax credit voucher, the commission shall enter on the
1457 voucher the amount of production expenses or costs that has been
1458 established to the satisfaction of the commission, and the amount of
1459 such company's credit under this section. The commission shall
1460 provide a copy of such voucher to the commissioner, upon request.]

1461 [(3)] (2) Not later than ninety days after the end of the annual
1462 period, or after the last production expenses or costs are incurred in
1463 the production of a qualified production, an eligible production
1464 company shall apply to the [commission] department for a production
1465 tax credit voucher, and shall provide with such application such
1466 information and independent certification as the [commission]
1467 department may require pertaining to the amount of such company's
1468 production expenses or costs. Such independent certification shall be
1469 provided by an audit professional chosen from a list compiled by the
1470 department. If the [commission] department determines that such
1471 company is eligible to be issued a production tax credit voucher, the
1472 [commission] department shall enter on the voucher the amount of
1473 production expenses or costs that has been established to the
1474 satisfaction of the [commission, minus the amount of any credit issued
1475 pursuant to subdivision (2) of this subsection,] department and the
1476 amount of such company's credit under this section. The [commission]
1477 department shall provide a copy of such voucher to the commissioner,
1478 upon request.

1479 (d) If an eligible production company sells, assigns or otherwise
1480 transfers a credit under this section to another taxpayer, the transferor
1481 and transferee shall jointly submit written notification of such transfer
1482 to the [commission] department not later than thirty days after such
1483 transfer. If such transferee sells, assigns or otherwise transfers a credit
1484 under this section to a subsequent transferee, such transferee and such

1485 subsequent transferee shall jointly submit written notification of such
1486 transfer to the [commission] department not later than thirty days after
1487 such transfer. The notification after each transfer shall include the
1488 credit voucher number, the date of transfer, the amount of such credit
1489 transferred, the tax credit balance before and after the transfer, the tax
1490 identification numbers for both the transferor and the transferee, and
1491 any other information required by the [commission] department.
1492 Failure to comply with this subsection will result in a disallowance of
1493 the tax credit until there is full compliance on the part of the transferor
1494 and the transferee, and for a second or third transfer, on the part of all
1495 subsequent transferors and transferees. The [commission] department
1496 shall provide a copy of the notification of assignment to the
1497 commissioner upon request.

1498 (e) Any eligible production company that wilfully submits
1499 information to the [commission] department that it knows to be
1500 fraudulent or false shall, in addition to any other penalties provided by
1501 law, be liable for a penalty equal to the amount of such company's
1502 credit entered on the production tax credit certificate issued under this
1503 section.

1504 (f) The issuance by the [commission] department of a tax credit
1505 voucher with respect to an amount of tax credits stated thereon shall
1506 mean that none of such tax credits are subject to a post-certification
1507 remedy, and that the [commission] department and the commissioner
1508 shall have no right, except in the case of possible material
1509 misrepresentation or fraud, to conduct any further or additional
1510 review, examination or audit of the expenditures or costs for which
1511 such tax credits were issued. If at any time after the issuance of a tax
1512 credit voucher the [commission] department or the commissioner
1513 determines that there was a material misrepresentation or fraud on the
1514 part of an eligible production company in connection with the
1515 submission of an expense report and the result of such material
1516 misrepresentation or fraud was that (1) a specific amount of tax credits
1517 was reflected on the tax credit voucher issued in response to such

1518 expense report that would not have otherwise been so reflected, and
1519 (2) such tax credits would otherwise be subject to a post-certification
1520 remedy, such tax credits shall not be subject to any post-certification
1521 remedy and the sole and exclusive remedy of the [commission]
1522 department and the commissioner shall be to seek collection of the
1523 amount of such tax credits from the eligible production company that
1524 committed the fraud or misrepresentation, not from any transferee of
1525 such tax credits.

1526 (g) The [commission] department, in consultation with the
1527 commissioner, shall adopt regulations, in accordance with the
1528 provisions of chapter 54, as may be necessary for the administration of
1529 this section.

1530 Sec. 82. Section 12-217kk of the general statutes is repealed and the
1531 following is substituted in lieu thereof (*Effective July 1, 2009, and*

1544 authorized to conduct business in this state, (C) is not in default on a
1545 loan made by the state or a loan guaranteed by the state, nor has ever
1546 declared bankruptcy under which an obligation of the entity to pay or
1547 repay public funds was discharged as a part of such bankruptcy, and

1548 (D) has been approved by the [commission] department as qualifying
1549 for an infrastructure tax credit under this section.

1550 (5) "Post-certification remedy" means the recapture, disallowance,
1551 recovery, reduction, repayment, forfeiture, decertification or any other
1552 remedy that would have the effect of reducing or otherwise limiting
1553 the use of a tax credit provided by this section.

1554 (b) (1) [There] (A) For income years commencing prior to January 1,
1555 2009, there shall be allowed a state-certified project credit against the
1556 tax imposed under chapter 207 or this chapter to any taxpayer that
1557 invests in a state-certified project. Such credit may be in the following
1558 amounts: [(A)] (i) For state-certified projects costing greater than

1569 shall be allowed a state certified project credit against the tax imposed
1570 under chapter 207 or this chapter to any taxpayer that invests five

1572 to twenty per cent of the investment made by such taxpayer.

1573 (2) Eligible expenditures pursuant to this section shall include the

1578 including design, professional consulting fees and transaction costs;
1579 development, preproduction, production, post-production and

1580 distribution equipment and system access; and fixtures and other
1581 equipment.

1582 (3) Any credit allowed pursuant to this section may be sold,
1583 assigned or otherwise transferred, in whole or in part, to one or more
1584 taxpayers, and such taxpayers may sell, assign or otherwise transfer, in
1585 whole or in part, such credit. Any taxpayer holding such credit may
1586 claim such credit only for the income year in which expenditures were
1587 made by the taxpayer for the infrastructure project.

1588 (4) Any credit allowed pursuant to this section shall be claimed
1589 against the tax imposed under chapter 207 or this chapter. If the
1590 amount of the credit allowable under this section exceeds the sum of
1591 any taxes due from a taxpayer, any such excess amount of the credit
1592 allowable under this section may be taken in any of the three
1593 immediately succeeding income years.

1594 (5) Any tax credit earned under this section shall be nonrefundable.

1595 (c) (1) An entity undertaking an infrastructure project shall apply to
1596 the [commission] department for an eligibility certificate not later than
1597 ninety days after the first expenses or costs are incurred, and shall
1598 provide with such application such information as the [commission]
1599 department may require to determine such infrastructure project's
1600 eligibility as a state-certified project.

1601 (2) Each application for an eligibility certificate shall include: (A) A
1602 detailed description of the infrastructure project; (B) a preliminary
1603 budget; (C) estimated completion date; and (D) such other information
1604 as the [commission] department may require. The [commission]
1605 department may require an independent audit of all project costs and
1606 expenditures prior to certification. If the [commission] department
1607 determines that such project is eligible to be a state-certified project,
1608 the [commission] department shall indicate the amount of costs or
1609 expenditures that has been established to the satisfaction of the
1610 [commission] department, and issue to such entity a tax credit

1611 certification letter for investors indicating the amount of tax credits
1612 available under this section. The [commission] department shall
1613 provide a copy of such letter to the commissioner, upon request.

1614 (3) Prior to the issuance of a state-certified project tax credit voucher
1615 to a taxpayer based upon the tax credit certification letter issued
1616 pursuant to subdivision (2) of this subdivision, the entity undertaking
1617 such infrastructure project shall provide the [commission] department
1618 with a description of the progress on such project and an estimated
1619 completion date. The [commission] department may require an
1620 independent audit of all project costs and expenditures prior to
1621 issuance of such tax credit voucher to a taxpayer. No such tax credit
1622 voucher may be issued prior to such time as such state-certified project
1623 is shown to be [not less than sixty] one hundred per cent complete.

1624 (d) If a taxpayer sells, assigns or otherwise transfers a credit under
1625 this section to another taxpayer, the transferor and transferee shall
1626 jointly submit written notification of such transfer to the [commission]

1632 by the commissioner. After the initial issuance of a tax credit, such
1633 credit may be sold, assigned or otherwise transferred not more than
1634 three times. Failure to comply with this subsection will result in a
1635 disallowance of the tax credit until there is full compliance on both the
1636 part of the transferor and the transferee, and all subsequent transferors
1637 and transferees. The [commission] department shall provide a copy of
1638 the notification of assignment to the commissioner upon request.

1640 voucher with respect to an amount of tax credits stated thereon shall
1641 mean that none of such tax credits are subject to a post-certification
1642 remedy, and that the [commission] department and the commissioner

1643 shall have no right except in the case of a possible material
1644 misrepresentation or fraud, to conduct any further or additional
1645 review, examination or audit of the expenditures or costs for which
1646 such tax credits were issued. If at any time after the issuance of a tax
1647 credit voucher the [commission] department or the commissioner
1648 determines that there was a material misrepresentation or fraud on the
1649 part of a taxpayer in connection with the submission of an expense
1650 report and the result of such material misrepresentation or fraud was
1651 that (1) a specific amount of tax credits was reflected on the tax credit
1652 voucher issued in response to such expense report that would not have
1653 otherwise been so reflected, and (2) such tax credits would otherwise
1654 be subject to a post-certification remedy, such tax credits shall not be
1655 subject to any post-certification remedy and the sole and exclusive
1656 remedy of the [commission] department and the commissioner shall be
1657 to seek collection of the amount of such tax credits from the taxpayer
1658 that committed the fraud or misrepresentation, not from any transferee
1659 of the tax credits.

1660 (f) The [commission] department, in consultation with the
1661 commissioner, shall adopt regulations, in accordance with the
1662 provisions of chapter 54, as may be necessary for the administration of
1663 this section.

1797 provided by an audit professional chosen from a list compiled by the
1798 department. If the [commission] department determines that the
1799 company is eligible to be issued a tax credit voucher, the [commission]

1807 taxpayer, the transferor and transferee shall jointly submit written
1808 notification of such transfer to the [commission] department not later

1822 subsequent transferors and transferees. The [commission] department

 1846 otherwise been so reflected, and (2) such tax credits would otherwise
 1847 be subject to a post-certification remedy, such tax credits shall not be
 1848 subject to any post-certification remedy and the sole and exclusive
 1849 remedy of the [commission] department and the commissioner shall be
 1850 to seek collection of the amount of such tax credits from the digital

2462 Sec. 99. (NEW) (*Effective from passage*) There shall be paid to the
2463 Commissioner of Revenue Services by any retailer of tires commonly
2464 used on any motor vehicle a tire fee of three dollars on the sale at retail
2465 of any such tire. Any person engaged in the sale of such tires shall
2466 register with the commissioner on forms prescribed by the
2467 commissioner. Each retailer of such tires subject to the tire fee as
2468 provided by this section shall submit a return quarterly to the
2469 commissioner, applicable with respect to the calendar quarter
2470 beginning July 1, 2009, and each calendar quarter thereafter, on or
2471 before the last day of the month immediately following the end of each
2472 such calendar quarter, on a form prescribed by the commissioner,
2473 together with payment of the quarterly fee determined and payable in
2474 accordance with the provisions of this section. Whenever such fee is
2475 not paid when due, a penalty of ten per cent of the amount due or fifty
2476 dollars, whichever is greater, shall be added to the amount due and
2477 such penalty shall immediately accrue, and thereafter such fee shall
2478 bear interest at the rate of one and one-fourth per cent per month or
2479 fraction thereof until the same is paid. The commissioner shall cause
2480 copies of a form prescribed for submitting returns as required under
2481 this section to be distributed throughout the state. Failure to receive
2482 such form shall not be construed to relieve anyone subject to the fee
2483 under this section from the obligations of submitting a return, together
2484 with payment of such fee within the time required. The provisions of

2485 sections 12-548 to 12-554, inclusive, and sections 12-555a and 12-555b
2486 of the general statutes shall apply to the provisions of this section in
2487 the same manner and with the same force and effect as if the language
2488 of said sections 12-548 to 12-554, inclusive, and sections 12-555a and
2489 12-555b had been incorporated in full into this section and had
2490 expressly referred to the fee imposed under this section, except to the
2491 extent that any such provision is inconsistent with a provision of this
2492 section and except that the term "tax" shall be read as "tire fee". Any
2493 moneys received by the state pursuant to this section shall be
2494 deposited into the General Fund.

2495 Sec. 100. (*Effective July 1, 2009*) The State Treasurer and the Secretary
2496 of the Office of Policy and Management shall jointly develop a plan to
2497 sell assets of the state that will result in net proceeds of (1) up to ten
2498 million dollars to be used as general revenues for the state during the
2499 fiscal year commencing July 1, 2010, and (2) up to one hundred two
2500 million five hundred thousand dollars to be used as general revenues
2501 for the state during the fiscal year commencing July 1, 2011. Such plan
2502 shall be completed on or before February 3, 2010, and provided to the
2503 chairpersons of the joint standing committees of the General Assembly
2504 having cognizance of matters relating to appropriations and finance,
2505 revenue and bonding.

2506 Sec. 101. (*Effective from passage*) (a) Notwithstanding the provisions
2507 of section 4-30a of the general statutes, the State Treasurer shall, on
2508 July 1, 2009, transfer the sum of four hundred sixty-one million one
2509 hundred thousand dollars from the Budget Reserve Fund to the
2510 resources of the General Fund to be used as revenue for the fiscal year
2511 ending June 30, 2010.

2512 (b) Notwithstanding the provisions of section 4-30a of the general
2513 statutes, the State Treasurer shall, on July 1, 2010, transfer the sum of
2514 nine hundred twenty million seven hundred thousand dollars from the
2515 Budget Reserve Fund to the resources of the General Fund to be used
2516 as revenue for the fiscal year ending June 30, 2011.

2517 Sec. 102. (NEW) (*Effective from passage*) (a) For the purpose of
2518 funding the deficit in the General Fund arising from the operations of
2519 the General Fund for the fiscal year ending June 30, 2009, as reported
2520 by the Comptroller to the Governor in accordance with section 3-115 of
2521 the general statutes, the Treasurer is authorized to issue notes of the
2522 state from time to time in an amount not to exceed the amount of such
2523 deficit, and to deposit the proceeds thereof in the General Fund. The
2524 Comptroller is hereby authorized and directed to certify to the
2525 Treasurer the estimated amount of such deficit and the amount so
2526 certified shall be conclusive evidence for the purpose of determining at
2527 the time of issuance the amount of notes which the Treasurer is
2528 authorized to issue pursuant to this section to fund the deficit. The
2529 Comptroller shall make such certification promptly upon passage of
2530 this section, and may base such certification on the most recent of the
2531 Comptroller's monthly reports on the fiscal condition of the state.
2532 When the actual amount of the accumulated deficit in the General
2533 Fund as of June 30, 2009, is known, the Comptroller is hereby
2534 authorized and directed to certify to the Treasurer such amount. In the
2535 event that the actual amount of the General Fund deficit is more than
2536 the amount initially estimated by the Comptroller, the Treasurer is
2537 authorized to issue additional notes of the state therefor and to deposit
2538 the proceeds thereof in the General Fund. The Treasurer is authorized
2539 to issue notes in an amount sufficient to refund any notes previously
2540 issued pursuant to this section. In addition to the notes authorized by
2541 this section to fund the deficit, including any refunding notes, the
2542 Treasurer is authorized to issue notes in such additional amounts as
2543 the Treasurer shall determine to pay the costs of issuance of any notes
2544 issued pursuant to this section and interest payable or accrued on such
2545 notes through June 30, 2011.

2546 (b) Any notes issued pursuant to this section shall be designated
2547 economic recovery notes and shall be issued on or after the effective
2548 date of this section.

2549 (c) All such notes shall be general obligations of the state and the

2550 full faith and credit of the state of Connecticut are pledged for the
2551 payment of the principal of and interest on such notes as the same
2552 shall become due, and accordingly and as part of the contract of the
2553 state with the holders of such notes, appropriation of all amounts
2554 necessary for punctual payment of such principal and interest is
2555 hereby made, and the Treasurer shall pay such principal and interest
2556 as the same become due. All such notes shall be sold at not less than
2557 par and accrued interest in such manner and on such terms as the
2558 Treasurer may determine is in the best interest of the state, and shall be
2559 signed in the name of the state and on its behalf by the Treasurer. All
2560 such notes shall mature before July 1, 2016, in such principal amounts
2561 and at such times, bear such date or dates, be payable at such place or
2562 places, bear interest at such rate or different or varying rates, payable
2563 at such time or times, be in such denominations, be in such form with
2564 or without interest coupons attached, carry such registration and
2565 transfer privileges, be payable in such medium of payment, be subject
2566 to such terms of redemption with or without premium and have such
2567 additional security, covenant or contract provisions, as appropriate or
2568 necessary to improve their marketability, as the Treasurer shall
2569 determine prior to their issuance. In connection with such notes, the
2570 Treasurer may enter into such paying agent agreements, indentures of
2571 trust, escrow agreements or other agreements, with such parties and
2572 with such provisions as the Treasurer determines are appropriate or
2573 necessary.

2574 (d) The Treasurer may obtain from a commercial bank or insurance
2575 company authorized to do business within or without this state a letter
2576 of credit, line of credit or other liquidity facility or credit facility for the
2577 purpose of providing funds for the payments in respect of notes
2578 required by the holder thereof to be redeemed or repurchased prior to
2579 maturity or for providing additional security for such notes. In
2580 connection with any such liquidity facility or credit facility, the
2581 Treasurer may enter into any reimbursement agreements, remarketing
2582 agreements, standby purchase agreements or any other necessary or
2583 appropriate agreements on behalf of the state in connection with

2584 securing or insuring or remarketing such notes, on such terms and
2585 conditions as the Treasurer determines to be in the best interest of the
2586 state. The Treasurer is authorized to pledge the full faith and credit of
2587 the state to the state's payment obligations under any such agreement
2588 and the Treasurer is authorized to include such pledge in any such
2589 agreement as part of the contract with the provider of such liquidity
2590 facility or credit facility. The Treasurer shall apply any appropriation
2591 for the payment of such notes to such reimbursement repayment if
2592 such liquidity facility or credit facility is drawn upon. As part of the
2593 contract of the state with the other parties to any agreement entered
2594 into pursuant to this subsection for which the full faith and credit of
2595 the state is pledged to the state's payment obligations under such
2596 agreement, appropriation of all amounts necessary for the punctual
2597 payment of the obligations of the state under any such agreement is
2598 hereby made and the Treasurer shall pay such amounts as the same
2599 become due.

2600 (e) In connection with or incidental to the carrying of such notes, or
2601 in connection with or incidental to the sale and issuance of such notes,
2602 the Treasurer may enter into such contracts as the Treasurer may
2603 determine to be necessary or appropriate to place the obligation of the
2604 state, as represented by the notes, in whole or in part, on such interest
2605 rate or cash flow basis as the Treasurer may determine, including
2606 without limitation, interest rate swap agreements, insurance
2607 agreements, forward payment conversion agreements, futures
2608 contracts, contracts providing for payments based on levels of, or
2609 changes in, interest rates or market indices, contracts to manage
2610 interest rate risk, including without limitation, interest rate floors or
2611 caps, options, puts, calls and similar arrangements. Such contracts
2612 shall contain such payment, security, default, remedy and other terms
2613 and conditions as the Treasurer may deem appropriate and shall be
2614 entered into with such party or parties as the Treasurer may select,
2615 after giving due consideration, where applicable, for the
2616 creditworthiness of the counter party or counter parties, including any
2617 rating by a nationally recognized rating agency, the impact on any

2618 rating on outstanding bonds or notes or any other criteria as the
2619 Treasurer may deem appropriate, provided the unsecured long-term
2620 obligations of the counter party is rated the same or higher than the
2621 underlying rating of the state on the applicable notes by at least one
2622 nationally recognized rating agency. The Treasurer is authorized to
2623 pledge the full faith and credit of the state to the state's payment
2624 obligations under any contract entered into pursuant to this
2625 subsection. As part of the contract of the state with the other parties to
2626 any agreement entered into pursuant to this subsection for which the
2627 full faith and credit of the state is pledged to the state's payment
2628 obligations under such agreement, appropriation of all amounts
2629 necessary for the punctual payment of the obligations of the state
2630 under any such agreement is hereby made and the Treasurer shall pay
2631 such amounts as the same become due.

2632 (f) The Superior Court shall have jurisdiction to enter judgment
2633 against the state founded (1) upon any express contract between the
2634 state and the purchasers and subsequent owners and transferees of any
2635 economic recovery notes issued or contracted to be issued by the state,
2636 and (2) upon any agreement entered into pursuant to subsection (d) or
2637 (e) of this section. Any action brought under this subsection shall be
2638 brought in the superior court for the judicial district of Hartford. The
2639 jurisdiction conferred upon the Superior Court by this subsection
2640 includes any set-off, claim or demand whatever on the part of the state
2641 against any plaintiff commencing an action under this subsection. Such
2642 action shall be tried to the court without a jury. All legal defenses,
2643 except governmental immunity, shall be reserved to the state. Any
2644 action brought under this subsection shall be privileged in respect to
2645 assignment for trial upon motion of either party.

2646 (g) Any expense incurred in connection with the issuance or
2647 renewal of the economic recovery notes shall be paid from the accrued
2648 interest and premiums on such notes from the proceeds of the sale of
2649 such notes or otherwise from the General Fund. The Treasurer may
2650 make representations and agreements for the benefit of the holders of

2651 any such notes which are necessary or appropriate to ensure the
2652 inclusion or exclusion of interest on such notes of the state from
2653 taxation under the Internal Revenue Code of 1986 or any subsequent
2654 corresponding internal revenue code of the United States, as from time
2655 to time amended, including agreements to pay rebates to the federal
2656 government of investment earnings derived from the investment of the
2657 proceeds of notes. The Treasurer may make representations and
2658 agreements for the benefit of the holders of such notes on behalf of the
2659 state to provide secondary market disclosure information. Any such
2660 agreement may include: (1) Covenants to provide secondary market
2661 disclosure information, (2) arrangements for such information to be
2662 provided with the assistance of a paying agent, trustee or other agent,
2663 and (3) remedies for breach of such agreement, which remedies may be
2664 limited to specific performance. The state shall protect and save
2665 harmless any official or former official of the state from financial loss
2666 and expense, including legal fees and costs, if any, arising out of any
2667 claim, demand, suit or judgment by reason of alleged negligence on
2668 the part of such official, while acting in the discharge of his or her
2669 official duties, in providing secondary market disclosure information
2670 or performing any other duties set forth in any agreement to provide
2671 secondary market disclosure information. Nothing in this section shall
2672 be construed to preclude the defense of governmental immunity to any
2673 such claim, demand or suit. For purposes of this subsection "official"
2674 means any person elected or appointed to office or any state employee.
2675 This indemnity provision shall not apply to cases of willful and
2676 wanton fraud.

2678 including any profit on the sale or transfer thereof, shall at all times be
2679 exempt from all taxation by the state or under its authority, except for
2680 estate or succession taxes, but the interest on such notes shall be
2681 included in the computation of any excise or franchise tax. Such notes
2682 are hereby made and declared to be (1) legal investments for savings

2684 creating the trust, (2) securities in which all public officers and bodies,

2692 state, may properly and legally invest funds, including capital in their
2693 control or belonging to them, and (3) securities which may be
2694 deposited with and shall be received by all public officers and bodies
2695 for any purpose for which the deposit of notes of the state is or may be
2696 authorized.

2697 (i) Notwithstanding any provision of the general statutes, for the
2698 purpose of determining at any time or times the position of the
2699 General Fund as of June 30, 2010, the Comptroller is authorized and
2700 directed to give effect to and to show the funding of the General Fund
2701 deficit as of June 30, 2009, as certified and provided for in this section
2702 in an amount equal to the principal amount of the notes issued and
2703 deposited in the General Fund, provided the notes authorized in this
2704 section have been so issued prior to such time or times of
2705 determination, it being hereby declared to be the intent and purpose of
2706 this section to provide for the General Fund deficit as of June 30, 2009,
